

**2008 International Counseling Psychology Conference
Sponsor/Exhibitor Opportunities**

You are invited to participate as a sponsor and/or exhibitor for the 2008 International Counseling Psychology Conference to be held March 6 - 9, 2008, at the Hilton Chicago Hotel in Chicago, Illinois. The theme of this international conference is: *Creating The Future, Counseling Psychologists in a Changing World*. The agendas for the conference include continuing education, professional training, collaboration, and dialogue among counseling psychologists and counselors from around the world. Topics of great importance to counseling psychologists include but are not limited to multiculturalism and diversity, career and vocational psychology, supervision and training, prevention of psychological problems, positive psychology, health psychology, international psychology, and counseling processes and outcomes.

The conference will consist of four days of keynotes, presentations, symposia, and roundtable forums designed to promote interchange, dialogue, and coalition building among counseling psychology academicians and practitioners, mid-career professionals, early career professionals, and students from around the world. If you chose to be a sponsor for this conference, an exhibit table would be available to your group.

This conference will move the field of Counseling Psychology forward, setting the agenda for our field in the future. You are invited to partner with us, along with other counseling psychology organizations in sponsoring or exhibiting at this conference.

Active promotion of the 2008 International Counseling Psychology Conference will take place through international, national, regional, state, and local psychology associations via their newsletters, websites, listservs, mailing lists, and publicity at other conferences. Additionally, traffic will be continuously driven to the conference website, www.icpc2008.org, where sponsors and exhibitors will receive repeated exposure via listings on the website. Although the conference attendance is expected to be 1,000, the reach to combined audiences will exceed 25,000.

There are three primary sponsoring organizations of the overall event: The Society of Counseling Psychology, Division 17 of the American Psychological Association (APA), the Council of Counseling Psychology Training Programs (CCPTP), and the Association of Counseling Center Training Agencies (ACCTA). The leaders of these organizations invite you to join us as an exhibitor and maximize your exposure to key audiences by participating as an exhibitor at the 2008 International Counseling Psychology Conference.

See the following information about sponsorship and exhibitor opportunities. If you are interested, please contact the conference planner, Debra Nolan, CAE, at 561-339-7364 or conferenceplanner@icpc2008.org. The earlier you are on board, the more your exposure to key audiences will be maximized!

Thank you in advance. We look forward to your presence and participation at the 2008 International Counseling Psychology Conference in Chicago, Illinois!

Sincerely,

Linda M. Forrest
